

Wire Jewelry Class

Beginners and above

\$35 materials provided. Bead choices may be limited

Learn to make your own jewelry from copper, nickel wire. In this class we will go over basic skills and elements to build any type of jewelry. We will learn to make head pins for earrings and necklaces, links for chains, adding beads and stone to enhance your jewelry.

By the end of the class you will have made at least one set of earrings, a bracelet, and a necklace/choker. If you have more time the more we can build.

Some samples of what can be done are below
